National Intelligence Officers

2 May 1977

Mr. William G. Miller
Staff Director
Select Committee on Intelligence
U. S. Senate
Washington, D. C. 20510

REFERENCE: R# 7638

Dear Bill,

I am writing about the "Report on the National Intelligence Estimates-B Team Episode Concerning Soviet Strategic Capabilities and Objectives." This office, which is coordinating the DCI's comments, was working on a deadline which we believed had been extended to May 10, but which we are told has now been moved back to May 4. It will not be possible for us to get the DCI's comments to the Committee by that time. We will send them as soon as possible. I would hope that the full Committee will not act on this report until it has had time to study the Director's comments.

Best regards,
